

New Days Ahead

By Kinley Loane

Eighth Grade, Marysville Middle School

Honorable Mention

Bad days, sitting back in pain
It's okay to feel insane

Maybe it's time to take a plane
Go recharge and rest your brain

Go outside and play
Because tomorrow is a new day

Find a way
Around the grey

Go outside to take a break
To avoid the earthquake

Get to Friday
Because tomorrow is a new day

The past doesn't matter
Life will get better

But don't quit yet
Instead forget it

Get out of the way
Because tomorrow is a new day

Stop being sad
And be more glad

Don't be cheap
And finally, get some sleep
