

SCCCMH C.A.R.E.S

Mission: Providing opportunities for health, wellness, and connection.

Vision: St. Clair County Community Mental Health will remain the community leader in integrated behavioral healthcare.

C

COMPASSION

Demonstrating empathy, understanding, and kindness towards individuals experiencing mental health challenges. This value emphasizes the organization's commitment to treating clients with care and respect.

A

ACCESSIBILITY

Ensuring that mental health services are readily available and accessible to all members of the community, regardless of their socioeconomic status, background, or abilities. This value emphasizes inclusivity and the removal of barriers to care.

R

RELATIONSHIPS

Working collaboratively with clients, families, and other stakeholders to develop holistic and individualized treatment plans. This value highlights the importance of partnerships and shared decision-making in achieving positive mental health outcomes.

E

EMPOWERMENT

Supporting individuals in taking an active role in their own mental health journey and fostering their autonomy and self-determination. This value recognizes the inherent strength and resilience of individuals and seeks to empower them in their recovery.

S

SERVICE EXCELLENCE

Striving for the highest standards of professionalism, evidence-based practices, and continuous improvement in service delivery. This value emphasizes the organization's commitment to providing quality care and pursuing ongoing learning and growth.
