

VETERAN- CENTERED CARE:

**Intimate Partner Violence (IPV)
& Military Sexual Trauma
(MST) Services for Veterans**

PRESENTERS:

Anne Raymaker, LMSW

MST Coordinator, VA Detroit Healthcare System

Sara Bazydlo, LMSW

IPV Coordinator, VA Detroit Healthcare System

May 12, 2026 | 10:00 - 11:00 a.m.

This training will provide information on Military Sexual Trauma (MST) and Intimate Partner Violence (IPV), including the impacts on emotional, social, physical, and psychological well-being. Participants will learn trauma-informed, patient-centered practices to better support Veterans, fostering increased collaboration between the VA Detroit Healthcare System, Community Mental Health, and other community resources.
