

Community Forums

St. Clair County Community Mental Health (SCCCMH) invites community members, individuals who receive services, friends/family members, and other stakeholders to join us for our Community Forums. The forums will provide an opportunity for SCCCMH to update the community on programs, services, and new initiatives. Attendees are encouraged to bring questions, comments, and feedback on services, programs, and ways SCCCMH can serve the community. Questions may be submitted in advance by emailing community_relations@scccmh.org. Light refreshments will be served. For those unable to attend, community forum recaps will be provided online at www.scccmh.org.
