Mohammad Saeed, MD
Medical Director

Nancy Thomson
Board Chairman

Dear Name,

Have you heard of NAMI, the National Alliance on Mental Illness? With over 600 affiliates it is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by behavioral health disorders. St. Clair County Community Mental Health is committed to bringing this organization and its valuable benefits to the citizens of St. Clair County. While NAMI membership is open to everyone, in particular it provides fellowship and learning opportunities for the families, significant others and friends of people with mental illness. Detailed information about NAMI can be found by going to www.nami.org.

An exploratory meeting to begin the process of starting a St. Clair County NAMI affiliate is scheduled on October 22nd at 6:30 p.m. in the auditorium of our main building at 3111 Electric Avenue, Port Huron. The meeting will be held both in-person and virtually. Because in-person space is limited and invitations to attend virtually need to be sent in advance, we are requesting that individuals RSVP by October 19th. If you are interested in seizing this opportunity to make an even bigger contribution to the recovery efforts of people with mental illness, while learning self-care for yourself, please contact Tracy Goyette at 810-966-3740 or tgoyette@scccmh.org.

I hope to see you there and join with you in creating a strong, effective, and recovery-focused NAMI affiliate.

Sincerely,

Debra Johnson,
Executive Director
