

OPIOIDS & OTHER DRUGS

VIRTUAL SERIES

SEPTEMBER 2020

NATIONAL
RECOVERY
MONTH

Taking place during National Recovery Month, this webinar series will include 15 different sessions related to the nation-wide drug crisis and how it is **affecting the state of Michigan and St. Clair County**. Webinar sessions will provide an examination of current efforts, local statistics, treatment approaches, the recovery process, impacts on family systems, and prevention strategies. This event will bring together physicians, healthcare workers, human service professionals, law enforcement officers, school personnel, local government officials, first responders, the recovery community and others to continue to **address this serious public health issue**.
